PERFORMANCE HIGHLIGHTS FOR THE QUARTER AND SIX MONTHS

ENDED 30th SEPTEMBER 2025

**1) SIGNIFICANT HIGHLIGHTS BASED ON THE FIRST HALF YEAR 25-26
PERFOMANCE**

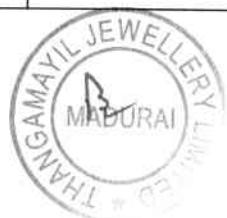

- ✓ The company completed successfully the first phase of “Chennai Metro” expansion outlets as given in the Right issue offer documents on a overall capital outlay of Rs.660 Crs.
- ✓ The “Chennai Metro” expansion outlets are performing as per our expectations and slated to contribute to revenue on a full year operations upto 20% of the overall revenue of the company.
- ✓ The second phase of “Chennai Metro” expansion covering the surrounding areas is already embarked on with ten outlets in next 15 months on an estimated outflow of Rs.700 Crs to be funded by internal accruals with customer advances along with moderate leverage as bank borrowings.
- ✓ It is expected post completion of second phase of expansion on current reckoning; the net serviceable debt will be around two times of expected EBIDTA in FY 27-28.
- ✓ It is heartening to note that post half year ended 30/09/25, in the festive month of Oct 25, the company did an all-time highest revenues at Rs.1032 Crs for a month (first time above Rs.1000 crs for a month) as against Rs.371 Crs made in YoY Oct 2024 registering a growth of 178%
- ✓ In spite of escalated gold prices prevailed in the first half, the company could maintain its volume offtake more or less at same level. In fact, post Oct 2025, the company increased its volume by 8.6%, for the first seven months of current year FY 25-26. It was made possible with expanded new outlets considerably contributed for the same. At the same time, it is too early to assess the trend based on wide fluctuating gold & silver prices currently prevailing for remaining 5 months of FY 25-26.
- ✓ The company hedged mostly at full level of its gold inventory and silver hedged up to 35% of inventory on hand as a measure of prudent strategy paving ways for full reliance on operating profit only.

- ✓ The overall customer advance base inclusive of “Digi gold” schemes increased by 76% in the first six months of the FY 25-26, from 6.41 lakhs to 11.29 lakhs as of 30/09/2025

5) PERFORMANCE HIGHLIGHTS FOR THE QUARTER AND HALF YEAR ENDED 30/09/25

Operations :

- Reported Rs.3,260 Crs sales the highest achieved by the company in any half year so far as against Rs. 2,398 Crs achieved YOY registered an increase of 36%.
- Profit After Tax (PAT) of the company for the half year ended of Rs. 104 Crs as against of Rs.39 Crs.
- During the half year, the company opened outlet at nine locations, and taking the total net retail outlets to 66.
- The expenditure has gone up from Rs.120.68 Crs to Rs.216.72 Crs, an increase of Rs. 96.04 Crs due to incremental additions to staff strength increase in operating fixed cost on account of opening of 9 more retail outlets including brand building, advertisement and publicity expense. However, on QOQ basis, the cost for revenue trend line started to show a modest decline.
- Once, the new outlets start to contribute to revenue, the impact of incremental expenses will reduce to some extent in the subsequent quarters results moderately.
- It is heartening to note that the company could not only maintain but also improved Gross profit margin by 3.81% at 11.17% as against 7.36% YOY due to better revenue realisation.
- The second quarter results are not strictly comparable with last year YOY as the company took an inventory hit due to customs duty reduction announced in budget of Rs.15.47 Crs in last year second quarter.

OTHER MATTERS

- During the quarter, the company opened further seven outlets taking the net retail outlets tally to 66.
- Civil work & interiors are nearing completion in three more retail outlets in and around Chennai that may take the Chennai region total outlets to ten by end of 3rd quarter or early 4th quarter 2026.
- The right issue proceeds net of expenses of Rs. 510 Crs was fully utilised for the purpose it was intended in this quarter.
- On May 15, 2025 the Board of Directors of the Company had proposed a dividend of Rs. 12.50 (ie 125%) per equity share of the face value of Rs. 10 each for the financial year ended March 31, 2025. The same has been approved by shareholders at the Annual General meeting held on July 25, 2025. Accordingly, during the quarter ended September 30, 2025 the Company has paid total dividend of Rs. 38.85 Crs (12.50 per equity share).
- The steep vertical increase in gold and silver prices, if persists, it may have an adverse impact on volume offtake even though on realisation front it would have a positive impact in the third quarter FY 2026.
- The income tax appeals for the Asst year 2017-18 and 2018-19 years for a demand of Rs. 14.49 Crs are pending with Income Tax Appellate Tribunals forum. However, stay of collection of demand was obtained. The tax demand for Asst year 2022-23 for which an appeal preferred and pending disposal and the stay of 25% mandatory collection is pending before High Pitch order review committee. As of now, status quo prevails.
- The urban Vs rural contribution to overall revenue made a shift from 29% to 40%. Its augers well for the company as the non- gold items contribution may increase with this revenue model.
